SEYCHELLES ARCHIPELAGO

SO MUCH TO DO, SO MUCH TIME

The Seychelles lifestyle is a rare quality. It will take a lifetime to discover and appreciate it all. Caring through the islands, living through the winds, learning about the culture. Living with traditions, swimming with the turtles, enjoying the view. Stepping from the water, watching the animals in the National Park, and the views. The possibilities are surrounding. Experience it all. It's the best.

Now you can live here in a world-class estate development, over 400 homes in one, offering a broad choice of over 470 beautiful luxury apartments, spacious houses and private villas, each with its own swimming. Beauty and their immediate location will also qualify for residence in the Seychelles.

Live on your island with luxury, relaxing, easy living if you so choose. Activities and fun from tennis and squash courts, to world-class swimming pools, beautiful beaches, a tennis stadium and two 18-hole golf courses in nearby. Clubhouse and Golf Club - there is enough to keep you busy on the island all the time.
